# Learning Outcomes

## **Develop skills to**

Effectively facilitate group activities and discussions around  
climate change issues

Create a safer space for sharing feelings and thoughts

Address common challenges in group dynamics

## **Experience**

The power of active listening

Asking and answering open, honest questions

Expressing and processing emotions arising from climate change

## **Learn**

All about CCTO's Climate Change and You (CC&Y) program  
and its resources

About CCTO's mission, values and commitment to climate justice,  
and how these connect to the big picture of collective climate action

# Learning Outcomes

## Practice

Using CCTO's resources and workshop materials  
Facilitating your own short workshop in a safe, supportive environment

## Connect with

A community of climate-conscious people including other new facilitators and more experienced mentors
